EDUCATION

B.Tech, Computer Engineering Aug 2022 – Jun 2026
Bharati Vidyapeeth Deemed University,
College of Engineering, Pune
Aggregated CGPA: 9.0

PERSONAL PROJECTS

- [University Management System](#) Oct 2024
 - Java-based, robust system managing student, faculty data, leave requests, results, and fees.
 - Features Swing GUI, MySQL integration, JCalendar for date handling, and RS2XML for data export.
 - Link of project: [University-Management-System](#)
- [Quiz Application](#) Jul 2024
 - Java-based multiple-choice quiz with login functionality and session reset for new players.
 - Ensures smooth user experience with intuitive interface and progress tracking.
 - Link of project: [Quiz-Application](#)
- [Breaking-Ball Game](#) Jun 2024
 - Java-based Breakout-style game with player-controlled paddle to bounce a ball and break bricks.
 - Simple controls make the game accessible, while increasing difficulty adds challenge.
 - Link of project: [Breaking-Ball Game](#)

GROUP PROJECT

- [Sorting-Algorithm Visualizer](#) Dec 2024
 - Java-based project demonstrating sorting algorithms like Insertion Sort, Quick Sort, and Merge Sort.
 - Visualizes sorting processes with real-time updates, enhancing the learning experience.
